About the webinar series

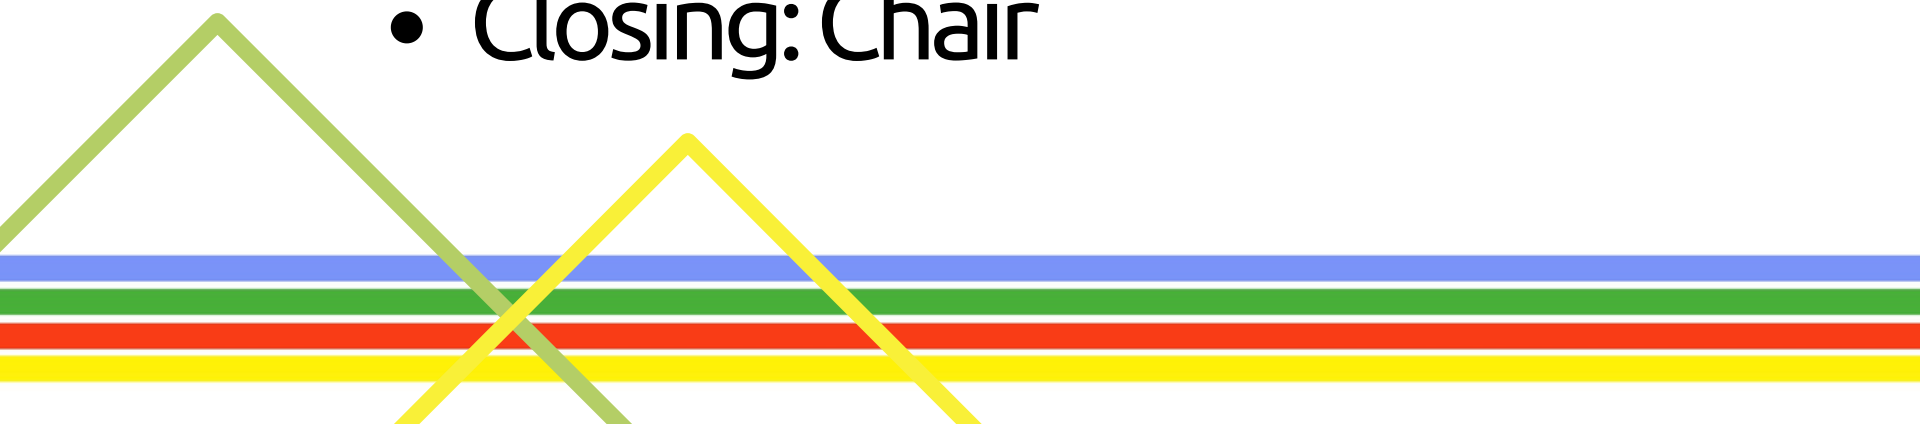

The **Evidence 2023 Capacities webinar series** aims to:

- create a platform for sharing experiences and ideas to enhance capacity for evidence use in Africa,
- generate ideas for wider ecosystem strengthening efforts, and
- improve and illustrate the AEN's Manifesto on capacity development for evidence use in Africa.

About the webinar today

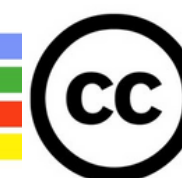

- The moderator will kick off the session with a brief overview of the objectives of the webinar series, the specific objectives for this session and a quick run-through of how the session will run.
- The **objective** of the session is to share perspectives of what different practitioners are learning about citizen evidence within their respective ecosystems, and how differently actors will need to position themselves in advancing their uptake.
- Introduction of panellists and setting the scene with initial comments.
- A panel discussion, with the moderator posing questions and facilitating a discussion initially amongst panellists, and then with the audience as well.
- Closing: Chair
