About the webinar series

The **Evidence 2023 Capacities webinar series** aims to:

- create a platform for sharing experiences and ideas to enhance capacity for evidence use in Africa,
- generate ideas for wider ecosystem strengthening efforts, and
- improve and illustrate the AEN's Manifesto on capacity development for evidence use in Africa.

About the webinar today

- The moderator will kick off the session with a brief overview of the objectives of the webinar series, the specific objectives for this session and a quick run-through of how the session will run.
- The **objective of this session is** to understand implications of the innovative approaches used by different practitioners for Evidence-Informed Decision-Making (EIDM) capacity development in Africa.
- Introduction of panellists and setting the scene with initial comments.
- A panel discussion, with the moderator posing questions and facilitating a discussion initially amongst panellists, and then with the audience as well.
- Closing: Chair
